

# According to Our Students, Feedback from the 2010 LibQUAL+ Survey

“We have an excellent library, one that I feel surpasses most in the entire nation.” -Fourth-year Science/Math student

“The Library is a great place to get away from friends and loud noises so I can focus on studying. I really like that I can check out a laptop to use for a few hours.” -Third-year Education student

“I love all the databases available to me. I have used them often in researching papers and even general knowledge stuff.” -Third-year Business student

“With the quick turn-around time of ILL, I seem to always have access to a resource whenever I have needed it.” -Fifth-year Arts/Humanities student

“I think the Library is a great place that allows many resources for every student. The environment is very welcoming and pleasant, and the staff are a great help when needed.” -Third-year Education student

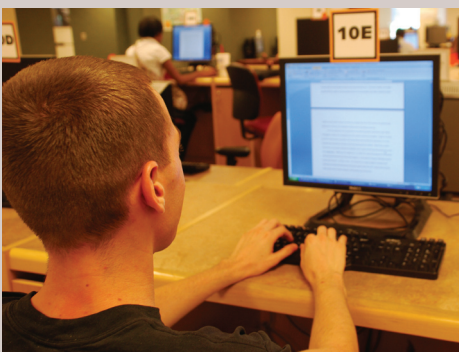

“I LOVE the Library. BOSS is by far the best search system ever!” -Fourth-year Arts/Humanities student

“This was the first year I used the instant message. I was afraid it would be slow, but it was very efficient.” -Third-year Journalism/Broadcasting student

“The Library makes its services extremely accessible from off-campus locations. I especially appreciate the “Get Article” link between databases and text-contact services that the Library offers. Employees are very helpful at answering questions about locating resources.” -First-year Education student

“I love the Library study rooms!” -First-year Agricultural Sciences/Natural Resources student

“The Library is the only place I can truly get a lot of my work done. It serves as a foundation for my education and provides a place for me to really pursue knowledge.” -Second-year Agricultural Sciences/Natural Resources student

“The Library has tons of resources and the people are very friendly and helpful. I always have a good experience at the Library (even when my homework is tough!)” -Third-year Education student
