

John Rex Cunningham Architecture Library

Introduction

The Architecture Library, Room 210 ATRC (next door to the CEAT Dean's Office), primarily serves the faculty and students in the School of Architecture. Other frequent users of the library include the departments of Art, Landscape Architecture, Theater, Interior Design, Housing and History. Collections focus on the following areas:

- Architectural Engineering
- Architectural History
- Building Codes
- City Planning and History
- Construction Technology
- Graphic Techniques
- Historic Preservation
- Sustainable Architecture and Design

Library Hours

Mon-Thur 8:30 am-9 pm
Fri 8:30 am-5:30 pm
Sat Closed
Sun 5 pm-9 pm

Hours may vary during intersession and holidays.

Services for Faculty

- Provide course-related library orientation
- Instruct classes in the use of print and electronic research tools
- Gather materials for course reserve
- Develop well-rounded library collection to support faculty and student interests
- Notify faculty when new books arrive

Services for Students

- Assist in identifying architects, buildings, definitions and terminology to complete assignments
- Help refine paper topics and suggest sources for use
- Help develop overall strategies for conducting library research
- Provide reference and research materials for courses in studio design, architectural history and student design competitions

Notable & Frequently Used Sources

- Building Codes
- Graphic Standards
- Time-Saver Standards
- Electronic Resources: OSU Library Catalog, Architectural Graphics Standards, Architectural Index, Art Abstracts, ARTstor, Avery Index to Architectural Periodicals, Great Buildings Collection, Grove Art Online, Oxford Dictionary of Architecture, and Sweet's Catalog
